

Brotherhood for the Fallen Aurora is the third of now five chapters across the United States. Chicago Police Department founded this great organization in 2010. New York Police Department and Aurora Police Department joined in mid-2015, Fort Worth Police Department created a chapter in 2016 as well as the Suffolk County New York Sheriff's Office.

We have one mission, to honor our fallen heroes, right here in Colorado and across the nation. When a sworn police officer is murdered in the line of duty we send at least two of our members to stand with the families, and our brothers and sisters in blue impacted. We personally meet with and present an engraved and encased folded thin blue line flag, and a monetary donation from our chapter.

We speak with and meet the spouses, children and friends of the fallen officers frequently and they all tell us the same thing, "You have no idea what it means for you to be here with us right now." Our mission does not stop there, we follow up with our local families to ensure they have what they need, and remind them they are not forgotten as they pass several milestones such as the one year anniversary of their hero passing.

We simply cannot provide this level of support without the support of our community and business partners. We fundraise routinely throughout the year to assure we can meet our goals, and give back to our community. This is going to be our biggest fundraiser of the year right next to our event with the Colorado Rockies on June 15, 2017.

Breakfast and Lunch are provided with your sponsorship and registration. There will be course games such as:

- Putting Contests
- Closest to the pin (Men and Women)
- Longest Putt (Men and Women)
- Longest Drive (Men and Women)
- Mulligans are \$5.00 a piece and limited to two per golfer

We would be honored if your organization would stand with us and therefore, all of our fallen hero families, by sponsoring a hole for this event that you don't want to miss.

If you cannot participate in this fundraiser by sponsoring a hole we also accept donations of products for our silent auctions, or maybe you just want to make a cash donation. All are wonderful and thoughtful ways to still help while not being able to attend.
